

Transition and Sustainability: Lessons, Questions and Priorities

AIDS2018 Satellite Session

Date: Thursday, July 26

Time: 6:30 pm – 8:30 pm

Location: Emerald Room

As countries strive to reach and sustain epidemic control, issues of sustainability and transition move to center stage. This panel will explore the challenges of transition from donor-supported to country-owned models and lessons learned about crafting sustainable health programs. Drawing upon experience from Ministries of Health, donors, academia and civil society, the panel will highlight key challenges and lessons learned.
